Guided by one of the all-time great doubles players, you will be able to -find the style of doubles play that fits you and your partner; -cover the angles, positioning, and court movement that keep your opponents off balance; -learn communication strategies that will have you and your partner working as one; and -adjust your tactics to exploit the opposing team's weaknesses and counter different playing styles. You will find tips for using spin and placement to maximize first serve percentage, returning the serve, deciding when to use power and when to use finesse, and using touch volleys to keep opponents off balance. Photos and court diagrams make it easy to see the correct positioning for each shot. Smith shares anecdotes from his own experience to reinforce instructional points.
