Ken Schultz's Fishing Encyclopedia The most comprehensive, up-to-date fishing encyclopedia in the world today Ken Schultz's Fishing Encyclopedia is the new

standard for knowledge on fishing and everything related to it. With complete, insightful information for both freshwater and saltwater anglers at all levels of experience, it is the only authoritative, and up-to-date fishing encyclopedia available. More than 2,000 detailed entries and over 1,400 color illustrations and photos cover every aspect of fishing today, including fish species, equipment, places, techniques, and a wide array of other information. Ken Schultz, internationally known fishing expert and 26-year editor at Field & Stream, and his team of international experts have created the definitive fishing guide for the new millennium. Their combined expertise spans the world—from Montana to Mozambique—and is uniquely modern in scope, covering current conservation programs and issues as well as the most recent developments in technique and equipment. "Ken Schultz's Fishing Encyclopedia is the only complete book of fishing knowledge. With expert information from cover to cover, it dwarfs every fishing book on the market. This book is indispensable." —Vin T. Sparano, Editor Emeritus/Senior Field Editor, Outdoor Life "A new resource for a new century, Ken Schultz's Fishing Encyclopedia is destined to become the last word in fishing information." —Slaton White, Editor, Field & Stream
