Why I Hate the Yankees offers a humorous take on the most beloved--and at the same time, most reviled--franchise in American professional sports. The book attempts to answer the question: Do we hate the Yankees merely because they always win, or is there more to it than just that? The authors deconstruct the origins of the so-called Yankee mystique, offer countless examples of Yankee arrogance, and critique the

Yankees' easy-way-out business model whereby they merely outspend other teams for talent. The authors leave no one exempt from blame, parodying the Yankees' fans, players, and overbearing owner, and questioning the motives of the national media and Major League Baseball. The tongue-in-cheek narrative is interspersed with revealing quotes from Yankee players, fans, media members, and other writers. A must-read for any hater--or lover--of the Yankees.
