The Reeds Oki Looseleaf Almanac is a versatile system that combines almanac and pilotage Information in a convenient looseleaf form. The unique looseleaf format, bound inside a durable binder which stays open on the chart table, lets the user tailor the almanac to their needs by complementing the contents supplied with whatever information they may want to add or take out. The looseleaf format makes information access quick and easy while allowing the navigator to easily refresh it with the annual

update pack. Covering the entire European Atlantic coastline from the tip of Denmark right down to Gibraltar, this is a highly convenient compendium of navigational data for all leisure and professional boaters: 700 port plans, tide tables and tidal streams, distance tables, 7500 waypoints, harbour facilities, pilotage advice, safety, first aid, navigation, radio, lights, weather forecasts around the UK and European waters, collision regulations, communications, distress situations, light recognition, rescue services, Mayday procedures. Also available: free supplements of up-to-date navigation changes.
