Scoring high on the AP Exam translates to saved time and moneybut how much?

Petersons updated Master the AP series answers this question with a new Quick-Reference Chart for each test by college and university, test designation, required score, credits granted, courses waived, and any stipulations. Students dont have to wonder how their college of choice will reward their hard work.Each book also contains in-depth subject reviews along with test-taking strategies and two full-length practice tests with detailed answer explanations.
