装帧:Paperback

isbn:9780878087570

Perspectives on the World Christian Movement presents a multi-faceted collection of

readings exploring the biblical, historical, cultural and strategic dimensions of world evangelization.

Writings from more than 150 mission scholars and practitioners portray the history and anticipate the potential of the global Christian movement. Every one of the 170 articles and sidebars offers practical wisdom enabling Christians to labor together in bold, Biblical hope to finish the task of seeing that Christ is named and followed among all the peoples of the earth.

This Kindle book is the Reader only. Students of the “Perspectives on the World Christian Movement” class also need the Study Guide. That book is not available on Kindle. Students of the program have not been asked to purchase this Kindle version. This Kindle Reader does not have page numbers or any reference to the Study Guide.

This is meant for general buyers of just the Reader – the best mission reference available anywhere, used in colleges, churches and study groups all over the world. The Study Guide will be combined with the Reader into a single Kindle file, also to be released later in the year.
