Comprehensive, Rigorous Prep for the GRE.

Every year, students pay \$900 and more to test prep companies to prepare for the GRE.

Now you can get the same preparation in a book. GRE Prep Course provides the equivalent of a 2-month, 50-hour course.

Although the GRE is a difficult test, it is a very learnable test. GRE Prep Course presents a thorough analysis of the GRE and introduces numerous analytic techniques that will help you immensely, not only on the GRE but in graduate school as well.

Features:

Math: Twenty-two chapters provide comprehensive review of GRE math.

Verbal: Develop the ability to spot places from which questions are likely to be drawn as you read a passage (pivotal words, counter-premises, etc.). Also, learn the 4000 essential GRE words.

Writing: Comprehensive analysis of the writing task, including writing techniques, punctuation, grammar, rhetoric, and style.

Also includes a Comprehensive, Free Online Course!

Course Features:

Ask Questions! Our instructors login to StudyDesk to answer your questions. StudyDesk also records the step where you make a mistake or ask a question. This is just one of many powerful educational tools in StudyDesk.

Highly Interactive: You can search the course for any topic, take notes, view solutions, view reports, and each time you return to the course it presents the last topic you were studying.

Versatile: You can access the course from any computer at any time.

Also includes GRE test prep software!

Software features:

Mentor Mode: In Mentor Mode, you are immediately told whether you answered a problem correctly, and you can immediately view a detailed solution of the problem.

Test Mode: In Test Mode, you can take a GRE test timed and scored by the program.
