Flash Kids educational products focus on fast, fun family learning. Developed for children in grades K-8, Flash Kids products take a lighthearted approach to serious educational content. In an age of rigorous standardized testing and increased emphasis on performance, these products encourage parents and children to enjoy the simple delight of learning new things together. Most importantly, Flash Kids products give families an easy, affordable way to bridge the gap between school and home.

This book teaches cursive in a cool way. Each letter corresponds to a realistic animal illustration and an interesting scientific fact about the picture. This unique feature helps grab kids attention, while the clear diagrams and ample pages encourage practice.
