SAT/PSAT Exam Prep shares the insider information that students need to score higher on their SAT and PSAT tests. This book from Pearson Education, the Global Leader in Education Publishing, is authored by an expert who has tutored students on the PSAT

and SAT tests for the past 20 years. The book starts with preparation planning outlines as well as test-taking strategies for overcoming text anxiety and beating your worst fears. The book then provides extensive tutorial coverage that helps the student mastering the knowledge needed for the Math, Critical Reading, and Writing sections. Extra coverage of the new writing section helps students deal with this added challenge. Finally, the book then includes four complete exams with detailed answers for more practice and better understanding of difficult topics.
