When it comes to preparing you for the NCLEX-RN(r) examination, nobody does it better than Delmar, a part of Cengage Learning! Complete Review for NCLEX-RN(r) is a comprehensive and detailed review covering all subject areas found on the exam. All

questions are coded to reflect the current test plan breakdown of client need, nursing process, cognitive level and subject area. A special emphasis is placed on the areas of delegation, prioritization, and critical thinking, which are essential for success on the NCLEX-RN(r). Your preparation for the licensure examination is just not "complete" without this essential study tool.
