The "Daily Spark" series gives classroom teachers a dynamic way of delivering stimulating and effective exercises to get students motivated at the start of class. Each book in the series features 180 exercises, one for each day of the school year. These small, handy books are brightly designed for quick and easy reproduction. Each Daily Spark prompt is uniquely tailored for subject matter; while one may present a short problem, another may pose a provocative question or ask students to write a brief poem or journal entry.
