Winning the College Admission Game: Strategies for Parents and Students is an innovative book that helps parents and students of all backgrounds develop a winning strategy for getting into and succeeding at the college of their choice. In a unique "flip-book" approach, this book presents parallel content to parents and students to unveil the mystique surrounding selective college admission and to create a blueprint for parent/child collaboration. By taking this unique approach of working collaboratively toward the shared goal of finding a good college "fit," each parent will learn how best to help his or her child, while respecting that this important rite of passage belongs to the student.
