The Fuel Alteredd, one of the most brutal and exciting cars that ever covered the quarter mile, consisted of a wheelbase average less than 100 inches that was fitted with a blown-supercharged 1500-horsepower engine running on Nitro. With a low center of gravity, the Alteredd was often compared to a 4,000-pound raging bull, as the driver had all he could handle keeping these beasts on the track. From flatheads to Nitro-burning monsters, see daredevils Mooneyham and Sharp, Gabby Bleeker, John Forska, Willie Borsch, Dale Emery, Leon Fitzgerald, "Big" Glenn Way, Don Green, Sush Matsubara, Leroy Chadderton, and many more blaze the quarter mile to standing-room-only crowds.
