

Build Your Own Boat

[Build Your Own Boat_ 下载链接1_](#)

著者:Blandford, Percy W.

出版者:Dover Pubns

出版时间:2011-11

装帧:Pap

isbn:9780486452890

This clear, concise guide contains the essential information needed to a build sturdy, seaworthy craft with only two hands and the most basic tools. Starting with an

introduction to materials, Blandford -- a onetime Associate of the Royal Institution of Naval Architects -- covers construction, hulls, internal work, sailing gear, and more.
