著者:Thorley, Nigel

出版者:Motorbooks Intl

出版时间:2006-8

装帧:Pap

isbn:9780760327029

Jaguars epitomise the best in traditional British cars, with the XJ being one of the most

popular and highly-regarded models on the market. This book is the ultimate companion to these cars, an essential book for any owner, driver, collector, restorer, or enthusiast. Design changes both major and minor are explained in meticulous detail, along with everything an owner could wish for - engines, wheels, upholstery, carpet, seating, mirrors, dashboard, gear lever mounting, sun roofs...everything anyone interested in the XJ model could possibly want to know!
