For over 50 years "Hemi" has meant speed, power, muscle. Named for it's hemispherical-shaped combustion chambers, Chrysler's most popular engine has propelled some of the most powerful cars down roads, race tracks, drag strips. This

addition to the popular "Gallery" Series profiles all the great cars that have borne the Hemi badge, from Muscle cars legends like the Road Runner, Challenger Cuda and Superbird, to modern classics such as the Dodge Hemi trucks, and the new Charger. Each profile features color photography detailing the car, it's engine, and all the technical and historical detail a Hemi or fast car enthusiast could wish for.
