isbn:9780760324127

Chip Foose and a team of customizers perform a complete automotive makeover, transforming a driveway junker into a work of art in double-time. This book documents

a dozens cars that have been overhauled by Foose and the gang. It presents the behind-the-scenes for each car's renovation. Each build is chronicled through design sketches, photos of the work in progress, and beauty shots of the finished creations.
