Chopped up, whacked out - the newest custom machines from the latest builders
Although the spotlight shines brightest on leading chopper builders such as Jesse

James, Billy Lane and the Teutuls, there is a large network of creative and talented chopper designers and fabricators at work across the country. Their work might not be on TV, but it fetches premium prices and turns heads on the street and at shows. This book tells the story of several of today's leading chopper builders, both famous and relatively unknown. It also features their works in stunning photography that captures the intricate details and fine workmanship of these amazing motorcycles.
