Mustang is the world's most iconic pony car. This lavishly illustrated work conducts readers through Mustang's forty-plus years of continuous production - a rich and varied history unmatched in the automotive world. An exhaustive review of this high performance car takes us from the first six-cylindered Stangs of 1964 through to today's fire-breathing, world-beating Mustang. Offering an in-depth look at prototype and experimental models, anniversary and pace cars, plus the specialty packages that

have made Mustang a living automotive legend, this book includes extensive details and specs on each car coupled with dazzling photography. This book is the ultimate resource for Mustang pony cars!
