~lmultiming--having an RV for a home--is different than liv-
ing in a fixed dwelling. It's like any lifestyle--has its own idio-
syncrasies; however--with fulltiming the problems are few
and the pleasures are many. It's a lifestyle that offers the freedom to
live where you want--when you want--and how you want.
In our travels--we constantly meet people who want to become
fulltimers but don't quite know how to go about changing their
lifestyle; they also want information about what living in such a
way entails. We are always happy to answer questions--but in a
brief or even lengthy conversation--it's impossible to cover every-
thing the potential fulltimer needs to know. -\"
This was the main reason for writing this book. We hope it will
dispel doubts--answer questions--give you ideas--and provide the in-
centive needed to

get you started. If you are already a fulltimer you'll find it contains a wealth of useful information for you as well. In compiling this book we have drawn upon many of our own experiences but because everyone's fulltiming is different we have also included the experiences of many others engaged in the lifestyle. We don't expect people to do it "our way" if another way works better for them. Whether your fulltiming includes traveling all the time or just seasonally whether you do it in a motorhome or trailer whether you
