Fords of the Fifties is a book about Ford Motor Company and its cars during the 1950s -- the romantic decade of chrome, fins and dual exhausts. Much of the photography is by author Mike Parris. Original photographs and information from the archives of Ford

Motor Company, Henry Ford Museum and Greenfield Village and the Detroit Library's National Automotive Collection are also featured in this must-have book for any classic car enthusiast. Parris blends a behind-the-scenes story of Ford Motor Company's survival and comeback from 1949 to 1959 with these beautiful images, interviews and details of classic Fords.
