著者:Bunn, Don

出版者:Motorbooks Intl

出版时间:

装帧:Pap

isbn:9781583881408

This reference guide and history of Dodge C trucks combines in-depth history with high quality photos to provide the Dodge C enthusiast with all the information necessary to correctly restore a truck to original condition, or to make a smart purchase. This book

covers it all from the light-duty to the heavy-duty models. Includes charts for standard equipment and dimensions - everything from chassis length to gear ratios and transmission lineups. All very useful information for a proper restoration. Appendixes include delivery prices and standard equipment, optional equipment, standard paint colors, model and engineering codes, and production figures.
