Protect Your Clients! Set, Claim, and Control Business Interruption Insurance

Establish values before the loss

Adjust claim issues and show proof of loss after the fact

Handle frequently litigated issues & pertinent coverage forms

The Authoritative Source for information on Business Interruption Issues co-authored by the Leaders in Insurance and Business:

The National Underwriter Company, Daniel T. Torpey and Daniel Lentz of Ernst & Young, and David A. Barrett of Latham & Watkins

Additional features include:

Concentrates on real-life business interruption situations giving readers practical applications to use in the field

Zeroes in on three most important Business Interruption aspects: setting values, proving loss, and typical areas of dispute

Provides tools needed to negotiate a loss

Additional Information on the Authors:

Torpey and Lentz are partners in the Investigative & Dispute Services of Ernst & Young, LLP, Dallas. They specialize in business interruption claims and have consulted and evaluated some of the largest Business Interruption claims in the past 10 years.

Barrett is a partner specializing in insurance coverage torts including property and business interruption disputes with Latham & Watkins, LLP, law firm in Washington, D.C
