出版者:Motorbooks Intl

出版时间:2006-11

装帧:Pap

isbn:9780760328255

In this book, Martin, along with the editors and contributors at "Sports Car Market",

gathers the magazine's best articles and auction reports on these classic collectors cars. An essential reference for anyone with an interest in collectors cars, this is a gold mine of straight-talking information: pitfalls, to watch out for, pros and cons of ownership, merits of makes and models, what to avoid and look for, all in Martin's pithy down-to-earth style.
