Famed automotive photographer Henry Rasmussen has trained his camera on beautifully restored Peterbilts, fancy show trucks, and big rigs at work. The legend of Peterbilt is featured in a photographic essay of more than 80 color images and a gallery of nostalgic black-and-white photographs, showing early Fageol trucks, one of the oldest surviving original Peterbilts of 1939, and a host of other trucks built through

1988. Included is a list of production figures and model designations for all Peterbilts 1939-1988.
