Your guide to the world's aircraft modernisation programmes This companion to Jane's All the World's Aircraft contains full technical descriptions of aircraft which are in service but no longer in production. You will find in-depth cataloguing of aircraft, detailed descriptions of upgrade programmes, including illustrations, plus informed overviews of the companies which are active in the field of aircraft upgrades, providing you with a complete resource for market intelligence, threat assessment and recognition. The online service has six upgrade spreadsheets which are available as Excel files.
