Now that people are starting to see that karting is the perfect training ground for professional racers of all stripes--as well as a not-so-expensive alternative to full-scale road racing and oval track racing--it's become the fastest-growing motorsport in the U.S. and the world.

For the novice confronted with a bewildering array of choices--kart types and classes, road racing, sprint track racing, oval racing--this book offers answers.

The best single resource on kart racing, "Karting" will teach you the ins and outs of the sport, from choosing a class and kart to selecting safety equipment to performing maintenance and mastering racing techniques that will get you up to speed on the track.
