出版时间:2006-5

装帧:HRD

isbn:9780760322840

This work chronicles a tumultuous period of American history through the primary tool Americans use to define themselves: their automobiles. From the street-racing hot rod culture that emerged following World War II through the new breed of muscle cars emerging today, this book brings to life the history of American muscle. Featuring exquisite photography of classic muscle cars by top photographer David Newhardt and a text that pulls no punches, "Muscle: America's Legendary Performance Cars" is the definitive muscle car history.
