著者:Hale, James

出版者:Motorbooks Intl

出版时间:2004-4

装帧:Pap

isbn:9780760316849

Dune buggies are popular all over the world. Inspired by Volkswagen's own Kubelwagen and Schwimmwagen, these go-anywhere machines begin with VW Beetle mechanical parts as a platform for completely customized vehicles. This book explains the background and development of buggies and the buggy scene. The chapters are devoted to some of the world's best buggies, cool interiors, outrageous paint schemes, engines built for "show" and for "go," as well as the community surrounding these vehicles. Both VW-based vehicles and sand rails are included.
