This extensively illustrated all-color book provides a comprehensive reference source for all motorcycle owners and enthusiasts, and is aimed in particular at those who are new or returning to the biking scene. Written by a long-standing motorcycle expert, this

book is invaluable to anyone contemplating their first motorcycle, and will improve the reader's overall understanding of their machine without necessarily having to get their hands dirty. The second edition has been revised to bring it fully up to date with current bike technology and model ranges.
