This informative book covers the entire spectrum of sportbike projects and is the perfect workshop companion for beginner, intermediate, and advanced riders. Sportbikes are the best-selling motorcycle in the world, and they are also the most

modified. The vigorous riding that most of these bikes are subject to lends itself to project after project, with bodywork being front and center. Witten by a formidable sportbike expert, 101 Sportbike Performance Projects is an invaluable reference for riders of all levels of interest and mechanical skill and takes readers step-by-step through the most important and popular modifications.
