This fantastic, one-of-a-kind guide to every model ever produced by Ducati is filled

with spectacular colour photos from all over the world, this guide not only showcases the vibrant colour and style of the rare bikes, it also explores the technical data and history of each model. A unique find in the small selection of books on Ducati, this reference has it all. Each model, from the early post-war Cucciolo to today's race-designed 999, is meticulously chronicled. Listings include weights, specifications, displacements and performance and production data. Ducati enthusiasts will love this great combination of well-researched data and true-to-life photography of the prestigious motorcycles.
