著者:Stegmaier, Harry

出版者:Motorbooks Intl

出版时间:

装帧:HRD

isbn:9781883089818

This book uses the contents of the official 1952 Pennsylvania RR passenger train consist book detailing the make-up of its east-west trains. The author supplements this data with a general introduction about PRR service of the period, and introduces each

train with a description of its make-up, service, and cars used. Color photos illustrate many of the cars used in the era. BandW and Color photos show typical trains. Illustrations of menus and ads complete the book.
