出版者:Motorbooks Intl

出版时间:1997-1

装帧:Pap

isbn:9780760303252

This guide fills a huge gap in the needs of the countless thousands of 'Vette owners throughout the world. Fully illustrated with detailed, step-by-step photos, chapters on bodywork and frame, interior and trim, mechanicals and electrics. Includes a

year-by-year model history from 1953-95, plus advice on which models are the best, and which to watch out for.
