著者:Young, David M.

出版者:Northern Illinois Univ Pr

出版时间:1998-10

装帧:HRD

isbn:9780875802411

Combining nostalgia and historical detail, David Young tells the colorful story of transportation in Chicago, from the plank roads of the 1850s to the streetcar straphangers of the 1920s to the articulated buses of the 1990s. Illustrated with more

than 90 photographs and maps, "Chicago Transit" reveals the political shenanigans, business deals, and technological changes behind the transportation system that made Chicago "the city that works."
