Harley-Davidson is probably the world's best known motorcycle marque. Apart from the thousands across Europe who are the proud owners of Harley-Davidson machines,

there are many more motorcycle enthusiasts who revere the name and would dearly love to own and ride a Harley. Millions of loyal Harley fans can't be wrong. With their distinctive styling and sound, Harley-Davidson motorcycles have won the hearts of people from all walks of life and from all over the world The book captures just what it is about these bikes which makes them so popular. It is not only a tribute to the machines themselves but it focuses on the culture and lifestyles which have grown up around the Harley over the years. This is a book which any motorcycle fan will cherish. It is a superb anthology of stories, photographs and artwork that pays homage to the marque. Among the contributors is Evel Knievel, perhaps the best known biker in the world. For those who have a Harley or who dream of having one, this lavish and beautifully produced giftbook which will be turned to again and again. A superb lavishly produced gift book suitable for all motorcycle enthusiasts. Review and editorial coverage in British motorcycle magazines is anticipated. Many of the book's contributors will be well known to its potential readership.
