This book is designed for anyone who has ever seen a hot rod and wondered, "How do I build one of those?" Whether you're a newcomer to the hobby or a seasoned, experienced builder, this book covers every aspect of building a hot rod from start to

finish. Author Dennis Parks helps the reader select the right vehicle to build and leads them through the process of making it happen. He answers basic questions and sheds light on the entire process of building a hot rod with lots of no-nonsense advice for any degree of builder.
