A companion volume to the Minnesota-Ontario Iron Ore Railroads, the author presents the story of iron ore transportation on railroads around Lake Superior. Coverage

includes the Lake Superior and Ishpeming, Chicago and Northwestern/Union Pacific, Milwaukee Road, Soo Line, DSSandA, Canadian Pacific, Canadian National, Escanaba and Lake Superior, Wisconsin Central, and Algoma Central operations. A mix of vintage and modern content and illustrations is a valuable reference to both modelers and rail historians.
