Journey into Spain with some of the world’s best writers, and discover a country of heightened senses, bougainvillea blossoming in crimson and orange, and air pungent with sizzling olive oil. Readers travel the ancient road to Santiago, get a glimpse of Pamplona during the running of the bulls, walk in Don Quixote’s footsteps on a midlife quest, and follow a woman’s dream to study the “male” art of flamenco guitar. These soulful stories of travel in a land poised between the old world and new. Gabriel Garcia Marquez, Barbara Kingsolver, Calvin Trillin, and Penelope Casas are among the authors featured.
