Winner of the Classic Award in the 2008 National Outdoor Book Awards! Successor to the Wilderness Press classic Pacific Crest Trail: California , this essential volume covers the PCT from the Mexican border to Tuolumne Meadows in Yosemite National Park. Complete 2-color topographic maps enhance comprehensive descriptions, including mileages and elevations. Trail descriptions and maps are divided into several sections, convenient for people who only want to hike a portion of the trail. Each section introduces up-coming scenery, possible hazards, supply locations, and mileages between major points. Includes information on the history of the trail as well as the geology and natural history you will encounter.
