The best-selling author and walker Peter Jenkins, landlubber par excellence, now takes to the waves and explores, as only he can, a part of America rich in history, mystery, and lore: from the Florida Keys to the Mexican border, by way of the Everglades, the treacherous "jungle woods," genteel southern homesteads, the Cajun marshlands, and Texas's coastal cattle country. It's a riveting encounter with hardy, resourceful, colorful - and occasionally dangerous - characters who have one thing in common: a fierce love for their world of wind and water and sun, a world that Jenkins brings uniquely to life.
