North of South: An African Journey is a travel book by Shiva Naipaul, originally published by Penguin Books in 1978, and republished as a Penguin Classic in 1997.

The book concerns Naipaul's travels in Kenya, Tanzania and Zambia. Naipaul was particularly interested in the Asian populations of these countries. The "South" in the title refers to South Africa. The book was widely hailed on its original publication by writers such as Graham Greene.

评论

Differ from usual admiration of her spectacular landscape and culture, Shiva Naipaul brought us a very unique picture of Kenya, Tanzania, and Zambia. Naipaul's emigrant background gifted him an interesting angel of observation. White, black, and yellow all live on the same land, yet in a subtle way of human interaction. Sincere and authentic.
