Travelers will behold all that the city by the bay contains with the hip Moon Metro San Francisco. This sleek guide profiles the best of the city, combining selective listings of the hottest sights, shops, restaurants, amusements, and hotels with vivid color photos, graphics, and discreet, laminated, fold-out maps detailing all the must-see neighborhoods. Vacationers can bask in the luxury of the Mark Hopkins hotel and stroll through Golden Gate Park, dine on cuisine in North Beach, or catch a view of Alcatraz from Nob Hill. Moon Metro San Francisco leads the visitor to the city's top sights as well as the places only the locals know about. Clean, concise, and compact, Moon Metro San Francisco is the definitive guide to the most-visited city in the U.S.
