Having survived Borneo, Amazonia, and the Congo, the indefatigable Redmond O’ Hanlon sets off on his next adventure: his own perfect storm, in the wild waters off the northern tip of Scotland. Equipped with a fancy Nikon, an excessive supply of socks, and no seamanship whatsoever, O’ Hanlon joins the commercial fishing crew of the Norlantean , a deep-sea trawler, to stock a bottomless hull with their catch, even as a hurricane roars around them. Rich in oceanography, marine biology, and uproarious humor, Trawler is Redmond O’ Hanlon at his finest.
