著者:John Gimlette

出版者:Vintage

出版时间:2005-3-8

装帧:Paperback

isbn:9781400078523

Reading this book is like watching a Komodo dragon eat a tethered goat. Paraguay, the book's subject, is isolated, ignorant, and completely bizarre. Bleak thoughts and observations thread through the book, but this is part of its charm. And so it goes, tale after tale, conquistadores and Nazis, whores and cannibals, all of them rather awful, all of them splendidly rendered.

评论

不知道同一个作者，为什么和圭亚那那本书比，这本书这么沉闷。作者过于沉浸在历史的角度，勉强看到50页就实在看不下去了。除了猎奇之前的独裁者的遗迹之外，巴拉圭似乎完全没有让人去的理由。
