This exciting new series of family-friendly walk and cycle ride books offers routes all over Britain. Written and researched by experts in their field, the guides are designed to be practical and easy to use for a perfectly planned day out for the whole family. Each guide includes 25 walks and 15 cycle rides with colour photographs throughout showing sites, views and pubs along the route. A full colour map accompanies each walk and cycle and there is practical information such as distance, minimum time and level of difficulty to make sure you make the most of your family day out.
