With a large number of beautiful, high-quality colour photographs, these guides are as browsable as the best coffee table books but also supply travellers with maps, travel tips, and extensive listings for lodging, camping, and sightseeing. Vacation destinations Mount Desert Island and Acadia National Park are proven even more enjoyable by this guide to Bar Harbour, the Cranberry Isles, Isle au Haut, the Schoodic Peninsula, Seal Harbour, and Swan's Island. Written by a Maine native, the listings point out the best spots for eating, shopping, and lodging in the towns and villages of the area, and carefully researched chapters on history, geology, and wildlife beckon travellers to hike, camp, and kayak in the unspoiled wild areas of the park.
