A national treasure since 1935, Shenandoah National Park offers 500 miles of stunning hiking trails, including 100 miles of the Appalachian Trail. Completely updated and featuring five new hikes, the latest edition details the best day and overnight hikes among the hundreds of available options. Day & Overnight Hikes Shenandoah National Park is loaded with details to supplement the descriptive narrative, such as UTM and latitude/longitude coordinates for each trailhead, ratings for scenery and difficulty, a detailed trail map, and a handy elevation profile.
