More than a million English-speaking visitors descend on Florence annually, but few venture beyond the usual circuit of tourist restaurants to experience authentic Tuscan cuisine. This updated guide to the best gourmet restaurants and off-the-beaten-path locales offers in-depth profiles of the spots Florentines themselves treasure. Arranged by neighborhood for easy navigation, THE FOOD LOVER'S GUIDE TO FLORENCE is the single essential companion for travelers, students, and expats.

## 评论

Let's get some real Italian food!

-----  
detailed, just hope it arranged more in order so it's easier to look up for the restaurants in region
