The only complete guide to flatwater canoe and kayak routes in northwest Oregon and southwest Washington--now completely updated! Phillip Jones has been exploring the Northwest by canoe and kayak for more than 20 years, and presents his favorite outings in this completely revised guide to paddling the flat-water rivers and lakes of northwest Oregon and southwest Washington. Most of these trips can be done in a day, although some can be combined for longer journeys. For each trip, you'll find complete information on where to launch, trip rating, distance, best time to go, points of interest, hazards, portages, and more. You'll find outings on the Willamette River and its tributaries, Oregon coastal rivers, the Columbia Gorge and the lower Columbia River, the Oregon Cascades, and southwest Washington. There are also tips on canoe and kayak paddling techniques, safety techniques, what to do if you capsize, transporting boats, and shuttling cars.
